

Remarks and Arguments

Applicants' attorney thanks the examiner's supervisor for her time during telephone conversations on August 9, 2005 and August 10, 2005. During those conversations the examiner's supervisor indicated that the changes made by an amendment filed on August 2, 2005 were acceptable, but the claim set was incorrect because it failed to include the changes made in an amendment filed May 25, 2005. This supplemental amendment re-presents the claim amendments made in the response filed August 2, 2005, but incorporates the changes made in the response filed May 25, 2005.

In light of the forgoing amendments and remarks, this application is now believed in condition for allowance and a notice of allowance is earnestly solicited. If the examiner has any further questions regarding this amendment, she is invited to call applicants' attorney at the number listed below. The examiner is hereby authorized to charge any fees, including the fee for the terminal disclaimer, or direct any payment under 37 C.F.R. §§1.17, 1.16 to Deposit Account number 02-3038.

Respectfully submitted
